<u>DISCUSSION:</u> On Tuesday, August 26, 2014, and Tuesday, September 23, 2014 the City Council discussed and reviewed various monument sign options. At the September 23 meeting, Council narrowed the monument sign choices and directed staff and the architect to revise the options to: <ul style="list-style-type: none">• Include digital versions of the selected concepts, and• Show the selected concepts at a smaller scale for the use at different locations. Upon approval of the design, staff will proceed with finalizing engineering and design specifications and working with Bluebonnet Contractors to have the signs installed at Central Drive. If Council desires, a monument sign can be included at Murphy Drive but Bluebonnet will not participate in the cost or manage the installation; however, they are allowing the City to use their contract pricing. A future budget amendment will also be brought to Council to formalize the expenditures on the monument signage.		
<u>RECOMMENDATION:</u> TBD		
<u>FISCAL IMPACT:</u> Cost of the signs minus the \$25,000 Bluebonnet will contribute to the signs at Central Drive.	<u>ATTACHMENTS:</u> Monument Sign Options
