

Employee Commendations

A Special Note!

We are dedicated to providing the best police service possible to our citizens. Our police officers are carefully selected and given the best training possible in order to provide this service. The men and women of YOUR police department have chosen to serve here, at least in part, because the Bedford Police Department has a reputation of being an HONEST and PROFESSIONAL Law Enforcement Agency.

With this in mind, you may have the occasion to let an officer's supervisor know how well he/she is performing their duties. So, if you should have an occasion to see one of YOUR

Police Department employees doing something extraordinary, please make sure you let us know about it. Police work is one of the few fields in which a supervisor is not standing over you watching your every move. Your comments will be forwarded to the employees supervisor and to the employee themselves.

You can commend an employee by completing the Employee Commendation Form, by e-mailing the Chief of Police at jeff.gibson@bedfordtx.gov, or by calling the Police Department at (817) 952-2440 and asking to speak to any supervisor.
